Association of Vermont

BPPA-VT

Vermont's Authorities on Energy Efficiency

PO Box 202, Hinesburg, VT 05461 • 802-238-3478 • www.BPPA-VT.org

Please join us!

for our Annual Meeting March 18, 2021 4:00 to 6:00 PM!

(click [here](#) to attend meeting!)

BPPA has been very active in the past few years:

- Working with Efficiency Vermont to promote improvements and better incentives for Efficiency Vermont programs and affiliated contractors
- Revamping and reopening the Zero Energy Now Program
- Working with partner groups to promote Vermont's Energy Code and a Contractor Registry
- Engaging with the Public Service Department to promote clean energy and weatherization
- Promoting the Home Energy Score as a way to build broad awareness of energy use and the benefits of weatherization among homeowners and home buyers
- Lobbying legislative leaders and committees on behalf of Home Performance and Building Performance programs and Contractors

And much more for BPPA to focus on in the years ahead...

- Governor Scott's proposed 25 million dollar funding enhancement for weatherization!
- Expanded Zero Energy Now opportunities!
- Strengthening statewide workforce development for the home performance and weatherization industry.
- A narrowing of the gap between now and the looming deadline of our 2050 climate goals!

Not to mention serving our own trade and industry!

- What about benefits of membership?
- What about building and supporting our own businesses?
- What about working together to promote our industry
 - ✓ In the state house
 - ✓ In the media
 - ✓ With utilities
 - ✓ With like-minded organizations – in Vermont and elsewhere?

There is always more that we can do, but...

We need interested members to get involved!!!

Again! Please join us!

– whether you are currently a member, or not!
